The Chapter 11 Cases are being jointly administered for procedural purposes only under the lead case *In re Celsius Network LLC*, Case No. 22-10964 (MG) (Bankr. S.D.N.Y.) pursuant to an order entered by the Court on July 19, 2022 [Docket No. 53]. On July 27, 2022, the United States Trustee for Region 2 (the “U.S. Trustee”) appointed an official committee of unsecured creditors pursuant to section 1102(a) of the Bankruptcy Code [Docket No. 241]. On September 29, 2022, the Court entered an order appointing an examiner [Docket No. 920]. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Additional information about the Chapter 11 Cases, court filings, and claims information is available at the Debtors’ restructuring website: <https://cases.stretto.com/Celsius/>.

## **General Methodology**

The Debtors are filing their Monthly Operating Reports (“MOR”) solely for the purpose of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 Cases. The financial information contained herein is presented on a preliminary and unaudited basis, limited in scope and, as such, has not been subject to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and does not include all of the information and footnotes required by U.S. GAAP. The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. There can be no assurance that such information is complete, and the MOR may be subject to revision. The following notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR.

## **Basis of Presentation**

The financial information contained herein is presented per the Debtors’ books and records without, among other things, all adjustments or reclassifications that may be necessary or typical with respect to consolidating financial statements or in accordance with U.S. GAAP. In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, subsequent information or discovery may result in material changes to the MOR. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, nothing contained herein shall constitute a waiver of any rights of the Debtors, including the right to amend the information contained herein, and the Debtors hereby reserve all of their rights, including to amend and/or supplement the MOR as may be necessary or appropriate.

## **Reservation of Rights**

Nothing contained in this MOR shall constitute a waiver or admission by the Debtors in any respect nor shall this MOR or any information set forth herein waive or release any of the Debtors' rights or admission with respect to the Chapter 11 Cases, or their estates, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. The Debtors are reviewing their assets and liabilities on an ongoing basis, including, without limitation, with respect to intercompany claims and obligations, and nothing contained in this MOR shall constitute a waiver of any of the Debtors' or their affiliates' rights with respect to such assets, liabilities, claims, and obligations that may exist.

## **Currency**

The amounts herein are presented in United States dollars, rounded to the nearest thousand, unless otherwise stated.

### **Notes to Part 1:**
